AZ CORP COMMISSION  
DOCKET CONTROL

RE: MOTION TO INVERVENE in the matter of the application of Tucson Electric Power Company for the establishment of just and reasonable rates and charges designed to realize a reasonable rate of return on the fair value of the properties of Tucson Electric Power Company devoted to its operations throughout the state of Arizona and for related approvals.

DOCKET No. E-01933A-15-0322 E-01933A-15-0239

My name, addresses and telephone number are listed below.

I wish to intervene in the application for new rates in Tucson Electric Power Company service territory. I have been promoting solar energy adoption in Southern Arizona since 1998, and I have solar energy systems on my personal residence and my business. I am the owner of Technicians for Sustainability, which employs approximately 45 people in Tucson, and has installed over 1,000 solar electric systems in the TEP service territory to date. My primary interest in this application is to advocate for rates which send appropriate market signals which will result in a stronger community. I am particularly interested in encouraging energy efficiency and distributed solar energy systems. I feel that the future quality of life in my community will be significantly affected by the decisions regarding rate structures.

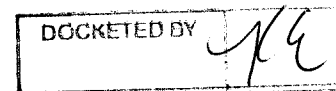

I hereby certify that a copy of this Request for Intervention has been mailed to Tucson Electric Power Company, 88 East Broadway Blvd., MS HQE910, P.O. Box 711, Tucson, Arizona 85702.

Sincerely,

Kevin M. Koch
